

SUBSTANTIAL EQUIVALENCY Application

Part III – Formal Social Work-Related Education

Applicant Information:

Applicant Name: _____ DOB (M/D/YR): _____

Primary Phone #: _____ Primary Email Address: _____

As part of determining eligibility for registration under the *Social Work Profession Act* [Section 10(1)(a)(iii)] and its Regulation [Section 5(3)], the Registrar is directed to consider the following criteria:

- (a) the extent to which the applicant is able to demonstrate his or her practical experience in the core functions of social work;
- (b) the extent to which the applicant is able to demonstrate that the length, quality and nature of his or her practical experience is sufficient for the registrar to determine competency to practice social work, having regard to
 - (i) the applicant's prior practice of social work in Manitoba or elsewhere, and
 - (ii) the applicant's theoretical knowledge of social work as a basis for his or her practice, including sociology, psychology and human development, social work theories and types of social work practice, and knowledge of any specialist areas of social work;
- (c) the applicant's educational qualifications relevant to social work;
- (d) the extent to which the applicant has participated in regular training and professional development relevant to social work;

In order to qualify for registration through Substantial Equivalency, an applicant must possess a minimum of a university-level Bachelor degree based on a norm of a four year degree program (or three years in Quebec) with a minimum of 40% course credits in the liberal arts, humanities and social sciences.

- Provide detailed information about your formal, post-secondary educational qualifications relevant to social work. For each of the 5 content areas below, list the courses you have completed which provided the theoretical knowledge in each area. Supporting documentation including university transcripts and course syllabus must accompany your Part III application. Official course descriptions may be substituted for courses completed more than 10 years ago only in exceptional circumstances, as determined by the registrar (i.e. international academic institution no longer operating).

Dates on syllabi and/or course descriptions must be consistent with the term during which the course was completed. Incomplete applications cannot be evaluated.

1. Social Work Theory

This content area refers to education in various theories within the social work context. Education must include an interdisciplinary theoretical knowledge base of social work and professional practice encompassing a range of theoretical perspectives.

- Social work, social welfare history and social policy (6 credit hours)
- The origins and dimensions of social problems in Canadian society (6 credit hours)
- Social work’s origins, purposes and practices (6 credit hours)
