Manitoba College of Social Workers
101-2033 Portage Avenue
Winnipeg MB
R3J 0K6

Dear Manitoba College of Social Workers,

Thank you for your letter.

As Manitoba Liberals, we agree that anyone who practices social work in Manitoba should be registered with the Manitoba College of Social Workers. All eligible government staff working within the scope of social work practice should be registered with the Manitoba College of Social Workers.

We agree that social workers, like health care professionals under The Mental Health Act, should be able to disclose information to the Collage in order to respond to complaints.

It is a reasonable expectation that professionals are licensed as a meaningful way to ensure accountability, transparency and best practice in the interest of the public.

Sincerely,

Dougald Lamont
Leader of the Manitoba Liberal Party / Chef du Parti du Manitoba
