Professional Liability Insurance

Professional Liability coverage provides insurance protection for wrongful acts to a third party (actual or alleged negligent acts, errors or omissions) committed when acting within your scope of practice as a social worker. Your coverage insures payment of both compensatory damages and legal costs associated with a claim. Coverage is written on a claims-made basis and expires on either May 1 or October 31 of each year.

Commercial General Liability Insurance

Commercial general liability insurance (CGL) protects members from financial loss should you be sued due to bodily injury or property damage caused by your services or business operations and not related to your delivery of professional services. This coverage is also known as "slip and fall" insurance because this is the policy that would respond in the event someone falls at your office and claims it was a result of your negligence (e.g. water on the floor).

This coverage is recommended for CASW members who own or operate clinics. Coverage is also recommended for independent practitioners who contract out their services or bill under their business name.

Coverage Definitions

E-Services

CASW members are automatically protected when offering E-services to their clients anywhere in the world, provided the member delivers services from within Canada and abides by applicable regulatory requirements in the province/ location in which the client resides.

Regulatory Legal Expense Coverage

The regulatory legal expense endorsement provides coverage for legal costs associated with having to respond to a complaint, or appear at a disciplinary hearing with a provincial regulatory organization or agency. In the event of a complaint or investigation, members are provided with superior legal representation and defence protection. Examples include complaints alleging professional misconduct, incompetence, or incapacity.

Criminal Defence Coverage

Coverage will reimburse insured members for defence costs associated with a case filed under the Criminal Code related to their insured practice if the professional service was rendered in Canada and the member is found 'not guilty' of the criminal charge.

Sexual Abuse and Counselling Fund / Abuse Limitation

All options include a maximum funding of \$20,000 for the rehabilitation and therapy of a person who, while a client, suffered abuse in the course of an insured member's practice as a social worker. Members who own a business and have purchased legal entity coverage are also provided with a \$1,000,000 sublimit for defence and damages associated with an abuse-related claim under the policy, derived from the services of their employees.

Extended Reporting Period Coverage

For members discontinuing practice or retiring, the insurance policy automatically provides up to 12 months of coverage following the expiry of your policy for claims that are first discovered and filed after you have discontinued practice.

Supplemental coverage is available for members who wish to extend this further. Please contact BMS for rates and to secure coverage. Coverage must be secured within 60 days of your date of expiry.

Student Coverage

Your policy now extends to provide professional liability insurance coverage for social work students practicing under your supervision at **no additional charge**. Please contact us to add a student to your policy.

How to Report a Claim

Prompt claims notification is very important. Claims, actual or potential, must be reported immediately to BMS. Failing to report a claim may result in denial of coverage. Please do not correspond directly with your client until after speaking with your claims adjustor. If you are unsure, always err on the side of caution. **To report a claim, contact BMS at 1-844-583-7747 or casw.insurance@bmsgroup.com.**

Optional Coverage

Cyber Security & Privacy Liability Coverage

Members can purchase a comprehensive Cyber Security and Privacy Liability policy to manage the risk of holding increasingly large quantities of personally identifiable data of clients, employees, and others, and to mitigate the reputational damage resulting from a data security breach.

For individuals - \$90 for \$1M limit.

For businesses – price depends on revenue.

Legal Entity Coverage

In the event of a claim, both the treating social worker and your business name are likely to be named in a statement of claim or lawsuit. Legal Entity Coverage protects the business and its assets in such circumstances. This coverage is recommended if you have social workers working for, or on behalf of, your clinic and/or billing under your business name. Businesses that employ professionals other than social workers are NOT eligible for this coverage.
