

## Leo Jacinto Flores Student Representative

**Term:** 2020-2021 (1st term)

**Region:** Capital

### Biography

Leo graduated from the University of Manitoba in 2018 with a bachelor's degree in Psychology. After his graduation Leo volunteered with community organizations, including the Bear Clan Patrol. The experience he gained working in the community help him determine his professional path and he entered the social work program at the University of Saint-Boniface. Leo has described himself as obsessed with finding new ways of contributing to society. He spends his free time playing sports, walking his dog, reading and enjoying life to its fullest.

Leo believes that it is important to represent the new generation of social workers. By volunteering on the Board of MCSW, he hopes to contribute a student's perspective and promote the profession of social work.
