

## Professional Liability Insurance Policy

All Social Workers who hold a Certificate of Practice must carry professional liability insurance coverage at a minimum value of \$2,000,000.

Practicing and Temporary Social Workers must:

- confirm that they carry professional liability insurance through their employer, or
- confirm that they carry professional liability insurance through an alternate insurance provider prior to activating their registration and upon renewal of registration.

A Social Worker who holds a Certificate of Practice must promptly notify the registrar if he or she is no longer covered by professional liability insurance.
