

Inquiry Hearing Panel Honorarium Policy

In order to reduce barriers to participation in the self-governing process, the Manitoba College of Social Workers will provide honoraria to Inquiry Committee panel members participating in a hearing.

Eligibility

Inquiry Committee members will receive honoraria for participating in an Inquiry Hearing (hearing attendance, deliberation, and decision writing if completed by the panel). Eligible participants will be provided with \$200 for every full day (six (6) hours minimum) and \$100 for every half day (three (3) hours minimum) of participation in an Inquiry Hearing.

Confirmation of hours of attendance by the Inquiry Hearing chair and/or legal counsel and completion of the Honorarium Reimbursement form are required for reimbursement.

In the event of lost wages/use of vacation time for days held for a delayed or cancelled hearing, compensation will be considered at the above rates on a case-by-case basis.
