Criminal Record/Registry Check Renewals for Practicing Members

Q. This Criminal Record/Registry check renewal is new information to me. Has this always been a requirement?

A. This requirement has been part of the Social Work Profession Regulation (“the Regulation”) since it was introduced in 2015.

The Regulation states, as a requirement for renewal, an applicant:

12(2)(b) provides a criminal record check, child abuse registry check and adult abuse registry check satisfactory to the registrar, at the end of each five-year period during which the member holds a certificate of practice

Note that all MCSW members have signed a declaration to adhere to the *Social Work Profession Act* and the Regulation.

Q. What specific checks are required?

A. **Three checks** are required:

- Criminal Record Check **including** Vulnerable Sector Check
- Adult Abuse Registry **SELF** Check
- Child Abuse Registry **SELF** Check

Q. What important dates are associated with this renewal requirement?

A. All members who intend to renew in the Practicing category with an initial registration date between April 1, 2018 – March 31, 2019 (**those members with a certificate number between 4471 - 4742**) are required to submit updated checks prior to or during the renewal period, which begins February 1st.

Q. Do other regulated professions have this same requirement?

A. Yes. Many other regulated professions in Manitoba have this same 5-year records/registry renewal requirement, including but not limited to registered nurses, licensed practical nurses, pharmacists, audiologists, speech-language pathologists and medical laboratory technologists.

Q. Am I required to submit updated checks if I am in the Non-Practicing category?

A. Non-Practicing Members are not required to submit checks while registered in this category but may voluntarily do so at any time. Non-Practicing members with an initial registration date prior to March 31, 2019 (**certificates 0000 - 4742**) will be required to submit these checks **prior to** being approved to transfer to the Practicing category.

Q. How do I know if my current checks are valid to fulfill this requirement?

A. Checks must meet the following criteria:

- Must be dated **within 12 months** of submission to the College
- The Criminal Record Check must include a Vulnerable Sector Search from the jurisdiction of residence
- Adult Abuse Registry Check must be a SELF check
- Child Abuse Registry Check must be a SELF check

Q. What is a Registry SELF Check?

A. SELF checks are checks that you order *yourself* through the [Government of Manitoba Abuse Registries office](#). These are differentiated by “employer, agency or organization checks”. By law employer or agency checks are not allowed to be shared outside of the organization that requested them (as per the registry office).

Q. Can members submit their updated checks at any time?

A. Any member can submit an updated check to the College at any time. A member’s deadline date to submit their next check will be communicated in their Member Portal once the submitted check is approved and will be 5 years from the submission date.

Q. Where do I obtain these checks?

- A. Members are generally required to obtain Criminal Records Checks with the Vulnerable Sector Search from their local police service (RCMP, Brandon Police Service, Winnipeg Police Service or if you are not in Manitoba, then the jurisdiction of residence). Child Abuse and Adult Abuse Registry Checks can be obtained online via the following link:

Q. How do I submit these checks?

- A. Log into your Member Portal and choose the Update your Records/Registry Checks link. You will be required to enter the type of background check, the clearance date on the check, and upload the corresponding check. Please ensure you scan/photograph each check **separately** and that the full check is represented and readable.

Q. My employer has copies of my checks dated within the last 12 months. Can these be submitted?

- A. The College can accept Criminal Records Checks with the Vulnerable Sector Search and Adult and Child Abuse Registry **SELF-Checks** that have been submitted to employers. Take a photo of the check(s) and upload them separately into your member portal.

****Note that the College is not authorized to accept Child or Adult Abuse Registry Checks with the titles “Agency, Employer or Organization Checks”.**

Only these Self-Checks are accepted:

Q. I found a website that can complete my criminal check quickly. Will the College accept this check?

A. Most online sites that offer criminal record checks DO NOT run vulnerable sector searches. **Buyer beware**, as the College requires a vulnerable sector search to be conducted and will not accept a criminal record check without one. Members are generally required to obtain Criminal Records Checks with the Vulnerable Sector Check from their local police service.

Q. I currently do not reside in Manitoba. What should I do?

A. If you reside outside of Manitoba and are a practicing member of the College, please obtain your Criminal Record Check with Vulnerable Sector Check from the local police service or detachment where you reside. Manitoba Adult and Child Abuse Registry Checks can be ordered online even if you do not reside in Manitoba.

Q. Will the cost of the checks be reimbursed by the College?

A. No, the cost of these checks will not be reimbursed by the College.
